RECERTIFICATION – RM0123

Dear Vanessa Navarro:

Congratulations! I am pleased to inform you that **Future Solutions** has been recertified as Minority owned Business Enterprise by The Council – RMMSDC, *The Rocky Mountain Minority Supplier Development Council*, an affiliate of the *National Minority Supplier Development Council (NMSDC)*. As a certified MBE, you are part of an expansive network of national and regional organizations dedicated to helping you achieve your business goals.

Your designation as an MBE means you have met the criteria for being a minority-owned and managed business in good standing. The period covering your certification extends through **June 30, 2010** as long as ownership and management of your business remain the same. All MBE's must re-certify annually, and to accommodate the 90 day processing time, please submit your application and all required documents at least 90 days prior to the Expiration Date listed on your Certificate. We are aware that small businesses make frequent management changes; therefore, we ask that you notify *The Council* or your primary council immediately if such a change occurs.

Now that you are certified, you are entitled to several benefits including:

- Eligibility to participate in a variety of supplier development programs and networking events;
- Receive procurement announcements via email that was placed on application from *The Council*.
- Access to the Business Consortium Fund (BCF), which offers a multitude of loans leasing and equity products that assist in financing contracts and business growth.

In order to maximize your certification in *The Council*:

- **Participate!** Success in *The Council* is achieved through networking. Check your e-mail for upcoming announcements:
- **Inform!** Let your customers know that you are now a certified MBE. Send them copies of your enclosed certificate: and finally
- **Capitalize!** Take full advantage of your benefits of certification.

Again, congratulations on this milestone achievement. If you have any questions or need additional information please feel free to contact Julian Montaño at (303) 623-3037, ext. 100, or at Julian@rmmsdc.org.

Sincerely,
